Roundabout Norwalk with Photography

Power Towers, Lines and ...

This page created 4/21/03

More scars dividing Norwalk? And 130 ft high? Let's bury them underground instead. Public hearing is April 30, 2003 at 7 PM at Brien McMahon High School. One and only chance to change Northeast Utilities' plan to put in the towers for Phase 1 of the project.

These photos were taken 'Somewhere outside of Norwalk'

Power Towers, Lines and ...

This could be Norwalk too
